

One Call

Famous

Yeah, she pop that pussy, I got her a Rolls-Royce
Go and get some money, she'll never listen
Bitch just say it to me, I been rich, you can't level it
I don't trust a soul, I don't trust nobody
Threw up off some pills, I don't trust my own body
You would take her shoppin', you took her to Chrome probably
It only took me one call, got the dome out of her
Just hit this ho, her boyfriend book me for a show, ah
I'm rockin' white and gold, it look like I got mob ties
Water comin' in and out, it never was a drought
Fuck the opposition, hit they strip then air it out
Pay attention (pay attention), pay attention (pay attention)
Pay attention, finna show you how to get it (show you how to get it)
First you make a hundred moving, whippin' chickens (whippin' chickens, uh)
Then you stay down, stack your racks, don't ever spend 'em (stack yo' racks)
Forgiotos, Panoramas, smooth spinnin' (skkrt)
Extra green up in my pocket look like spinach (skkrt)
I put gold all in my mouth, I hate the dentist (hate the dentist)
Gon' pour two more lines then I'm finished
I said, "Better late than never, better late than never"
Yeah, better late than never, better late than never
I said, "Better late than never, better late than never"(yeah)
Yeah, better late than never, better late than never (yeah-ah)
